

## Madhulatha's one day

### AT THE PRAYER TOWER...

Neeraja and Madhulatha had studied in the same college for four years. After a few years, Neeraja informed that she would meet with Madhulatha as she would be attending a friend's marriage along with her parents and brother in Madhulatha's town. As informed, they met at the marriage venue. Madhulatha was very happy to see Neeraja. "Hey, how are you" she said and ran to her and hugged her. When they came out, Neeraja's eyes spotted a nearby Prayer Tower.

It was the 'Jesus Calls' Prayer Tower.

"Come Madhu...let's go inside"

"Hey... you go and come back... it's a place of prayer for particular group of people only...How can I come?"

Madhulatha hesitated.

"All can come... No restriction..." said Neeraja. With excitement, Madhulatha entered holding her friend's hand. Neeraja asked, "You are here for so many years... You don't know the Prayer Tower?" in surprise.

"I've seen it when I crossed this way... I did not know that anyone could come..." said Madhulatha.

**"MY HOUSE WILL BE CALLED A HOUSE OF PRAYER FOR ALL NATIONS." (MARK 11:17)**

They were screened with thermal gun and were provided with hand sanitizer. Inside, many people were seated in rows. There was enough space to be seated with social distancing. One person greeted those who entered with a broad smile and with folded

hands and made them sit. They handed over a form saying, “please write your prayer requests here...”

Neeraja said, “It’s been three months since I got my job, let me write for blessings in that job...” Once they finished writing, a person came and called them. Neeraja’s family went inside saying, “We will pray and be back within five minutes.”

People who came inside the Prayer Tower were all seated in the reception area, wrote their prayer requests, went inside to get prayed and came back. The intercessors brought wheelchairs for the elderly and those who could not walk. In the notice board, several papers were pinned in a row. Madhulatha went near and began reading.

***The testimonials of many were pinned along with their photographs. One among them was,***

*“ We belong to a family which has not tasted the love of Jesus. Both my younger brothers are running a two-wheeler workshop. Due to the attacks of the devil, their business suffered and they became sick. Moreover, we also had a lot of debt. In this situation, we came to know about the Jesus Calls Prayer Tower through a sister living next door; so my mother and I went there, prayed and enrolled our family as partners. I enrolled my younger brothers specifically in the Business Blessing Prayer Mission. As I regularly came to the Prayer Tower and prayed, both of them were miraculously delivered from the attacks of the devil. Not only that, they continued to do their business. Due to this, the earnings increased. Followed by that, we began to give our offering towards the Business Blessing Prayer Mission each month. At present, the debt in our family has totally gone and we are living with joy and peace. Praise the Lord.”*

As Madhulatha finished reading, Neeraja’s family came back. Seeing the sign board ‘Chapel’, the family went in. Many were praying seated and some on their knees with social distancing. Madhulatha continued watching the video at the reception area. In the screen before them, the video of a person singing was playing. When Neeraja returned, Madhulatha asked, “Who is this?” pointing to the person in the video.

Neeraja explained, “He is Bro. D. G. S. Dhinakaran. When he was distressed not being able to get a job and decided to commit suicide by falling before a train, he came to know about Jesus. After that he got a job in the bank. He kept working and prayed for others. He passed away in 2008. However, his son, Dr. Paul Dhinakaran and his family are still praying for others till today.”

“Do so many people come to one meeting?” Madhulatha asked looking at the photograph in wonder.

Neeraja replied, “Until the Corona pandemic began, the

public meetings were held in which anyone could attend.”

Madhulatha asked, “If it’s a meeting where so many people would come, the cost should be very high... how much is the entry fee?”

To which Neeraja replied, “Hmm... not only for attending the meeting, there is no fee for any service being rendered here Madhu...” it surprised Madhulatha.

A person began announcing, “Friday meeting has started”. “Go, attend it” said another.

Many had come to the auditorium. Sanitizers were there to clean the hands. People were seated with social distance. Information regarding special meetings, their days and times were kept in the auditorium.

**On the stage, a sister was testifying about her miraculous experience:**

*"I am a Jesus Calls partner. I had two miscarriages. My heart was very broken because of this. In this situation, I went often to the Prayer Tower in Lakshmi mills, Coimbatore and prayed. The Lord heard the prayers of prayer intercessors and blessed us with a beautiful girl child on 24th January 2020 and made us happy. We named the baby, "Katelyn Deborah Sebastian." On knowing that the name of Dr. Paul Dhinakaran's granddaughter is also the same as our daughter's. We were overjoyed. We believe that even our daughter will rise up to do the ministry of the Lord. We have enrolled her in the Young Partners' Prayer Mission. The Lord is giving us much more blessings and making us happy. Glory to God!*

**-Junitha Francis, Coimbatore.**

***"That evening after sunset the people brought to Jesus all the sick and demon-possessed... He also drove out many demons, but he would not let the demons speak because they knew who he was."***

(Mark 1:32-34)

Many went on to receive small bottles of something.

"What is everyone getting?" Madhulatha asked.

"It is the blessed oil. If people are not feeling well, when they apply this oil on their body and pray trusting God, He will heal them," Neeraja explained.

As they walked, Neeraja continued saying, "Even during the exam times prayer meets will be organized. When I was in my +2, I attended the student's meeting. I enrolled myself as a Young Partner in that meeting." "Young Partner? What do you mean by that?" – It was surprising to Madhulatha that her friend has joined in something without her knowing.

***"...Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these. Truly I tell you, anyone who will not receive the kingdom of God like a little child will never enter it..."***

(Mark 10:13-16)

"As they offer all these services free of cost, they call all those who wish to help through their offering, as

partners. In the partner's family, when they support the ministry as children who are unmarried and youngsters, they call them the Young Partners. They are praying continuously for all the Young Partners in Prayer Towers. With the help received from the Young Partners they are able to build and maintain the Prayer Towers like this."

"Are there other places like this Neeraja?"

Neeraja replied, "Yes Madhulatha. Similar to this there are a total of 120 Prayer Towers and ambassador services in India. They pray for all those who come each day. Prayers are offered every day with absolutely no differences and conditions, for all those who come. It is a service of praying for the world. The National Prayer Tower is located in New Delhi. There, they are continuously praying for our country. They are praying for the protection of the nation, prosperity, development of the people, government and for everything."

As they were walking, they saw a gentleman going to take his two-wheeler from the parking lot. Neeraja said, "Mom, this is the uncle who prayed for us. I think he is leaving for home after his duty" and asked, "Hello uncle, are you leaving?"

He said, "Oh... it's you... I am not going home... I am going to the hospital to meet the sick and pray for them in person."

Neeraja asked, "Is this also a duty uncle?"

**COME TO JESUS CALLS PRAYER TOWER AND BE BLESSED**

He replied, "More than the duty, ministry is important dear child. On the request from visitors, we would get the address of the hospital, go there in person and pray for the people who are not able to come directly and are in the hospital. It's not only a consolation to them; but when we agree together in prayer; the Lord will give miraculous healing."

***"And the prayer offered in faith will make the sick person well."*** (James 5:15)

Neeraja's father said, "I used to write letters even when I was very young." The prayer intercessor replied, "Even today many are writing letters brother. One can explain what's in their mind through letters only. They send emails; we pray for all of them and also send replies" explained the prayer intercessor.

Madhulatha asked, "Wouldn't it cost so much to do so much work uncle?"

He replied, "Surely there are many expenses. But, there is no fee for any of the services. Those who wish to support these services can uphold it. For youngsters like you, there is a special event called, "UTurn." If you would download the "Family Channel" app in your smart phone, there is a program every Friday at 9pm in it."

Neeraja's mother asked, "Brother, are there programs only for youngsters in the Family Channel?" He replied, "Sister it is a 24-hour schedule with programmes suitable for all age groups... It would be in Tamil."

Madhulatha said, "Everything is OK uncle. But I want to pray to God in a quiet place where there's no disturbance."

The prayer intercessor replied, "There's a place for that too dear child. The Bethesda Prayer Centre is located in the outskirts of Coimbatore. It's a very quiet place. You can go there alone or as a family and pray. At that place also prayer intercessors like me are there for your assistance."

"Ok let me go quickly and pray" said the prayer intercessor and left.

When they all came to the entrance of the Prayer Tower campus, a lady entered swiftly.

Madhulatha asked with surprise, "Aunty, where are you going so fast?" She was Madhulatha's friend Nancy's mother.

"Hi Madhu..." said that aunty.

"Aunty, she is my collegemate Neeraja. They are her parents. They have come from another town."

"Oh... is it? asked aunty.

Neeraja's mother asked, "Are you working here?"

That sister said, "No I am working in another office. I come here once a week and do ministry. Throughout the night I do the telephone prayer."

Madhulatha asked, "Aunty, do you get a salary for that too?"

She replied, "No dear child, this is something we do for God out of our own desire. As the Lord has blessed us, we help others as much as we can. Like me many come daily, weekly once, or monthly once and do voluntary service. Many people call through telephone for prayer help. **We give prayer help in Tamil, Telugu, Malayalam, Kannada, Marathi, Hindi, Gujarati and English.**"

**Let me tell you the experience of a sister who serves with us:**

*"Though I live in Chennai, I did not know that a Prayer*

*Tower was here. In 1999, we went through terrible sufferings and fear. At that time my mother said, "You go to the Prayer Tower. The Lord will bless you". From then, for 20 years till now I have come to the Prayer Tower. I used to attend all the meetings happening there. Now, for 13 years I am serving as a volunteer prayer intercessor. I serve in filling up the blessed oil bottles, praying for those who come to the meetings and helping during the meetings. More or less I come every day to the Prayer Tower and help. Due to that our 25 lakhs debt has gone; blessings in our work, our son received divine knowledge and protection. He completed his B. Tech in NIT (REC) in Thiruchirappalli. He also got a job. By the grace of God, he also received*

*grace in the eyes of the officials. My husband was affected with a heart disease three years back. Due to the prayers offered in the Prayer Tower, he was healed. Yes, as we joined with the Jesus Calls ministries, we have received so many blessings.*

Madhulatha said, "OK aunty. I am so glad. I will also begin to watch "Family Channel." If needed, I will call for prayer help. Bye."

The sister sent them off saying, "Take care all of you. May the Lord go with you." Neeraja's family left happily.
